

Ode To Mari

Ode to Mari  
by George Assaf

\*Although this is not an ode, and it was never intended for any Mari... \*  
\*The original form was an ode and it was for some girl whom I forgot the\*  
\*name (maybe it s the effect of Mari :)). After the form was changed to \*  
\*the current one, the word Ode was kept in the title and that girl s \*  
\*name was substituted with Mari (no not Mary, not Marie but Mari). \*

**Bb**

Once again last night,  
**F** **Bb**  
Again I couldn t sleep,  
**F** **Bb**  
I felt that think so deep,  
**Cm** **F** **Bb**  
Yes, I was thinking about you.

And even in the nights  
When I manage to sleep,  
I feel that think so deep  
And all I dream is about you.

chorus

**Cm** **F**  
Oh! Mari! Oh! Mari!  
**Bb** **Cm**  
I ll make the whole world see  
**F** **Bb**  
That I want you to be  
**Cm Dm Bb**  
My little Mari.

When I look into your eyes,  
I feel that I am lost,  
My heart beats at its most  
I think I m going mad about you.

And when touch your hand,  
Smell your perfume in the air,  
I desire to caress your hair  
And spend my nights beside you.

chorus

Every time you swing and dance,  
I can't turn my eye away,  
I'm on my knees and I pray,  
The angels dance beside you.

Every time you are with me,  
It's hardly I can breathe,  
I wish that the time freezes  
So I spend my life beside you.

chorus

Oh! Mari! Oh! Mari!  
I know deep in me,  
That you too want to be,  
My holy sweet Mari.
