Take me there my friend
G Am
Down under the wave

Iâ€™m no longer a slave
G Dm
So take me to the sea

C C7 C Am C
C C7 C Em C

Take me to my boat
I have lumps in my throat
The pain ainâ€™t getting through
So take me to the blue

Down under the tide
I wonâ€™t creep; I will glide
In the water I will fly
The ocean is my sky

C C7 C Am C
C C7 C G C
C C7 C Am C
C C7 C Em C

Take me to the deep
Down there I wonâ€™t weep

Down Iâ€™m not afraid
In my silence I shall fade

My hands here are in chains
But the waterâ€™s in my veins
So take me to the sea
And you will set me free.
