C G Am  
Take me to the sea  
F G C  
Itâ€™s where I want to be  
G Am  
Iâ€™m drowning on this land  
F G C  
Take me there my friend  
G Am  
Down under the wave  
F G C  
Iâ€™m no longer a slave  
G Dm  
So take me to the sea  
G C  
And you will set me free

C C7 C Am C  
C C7 C G C  
C C7 C Am C  
C C7 C Em C

Take me to my boat  
I have lumps in my throat  
The pain ainâ€™t getting through  
So take me to the blue

Down under the tide  
I wonâ€™t creep; I will glide  
In the water I will fly  
The ocean is my sky

C C7 C Am C  
C C7 C G C  
C C7 C Am C  
C C7 C Em C

Take me to the deep  
Down there I wonâ€™t weep

Down Iâ€™m not afraid  
In my silence I shall fade

My hands here are in chains  
But the waterâ€™s in my veins  
So take me to the sea  
And you will set me free.
