

All Across The Havens
Elton John

Intro: A D7 A D7

Verse

A

The sister of sunlight

D7

Comes to my lonely life

A

Bearing the crosses I hung

D7

I hung on my lonely wife

C#m

And the anchor told me

F#m

If I prayed by the river

Bm7

That the sweet sound of water

E7

Would always go with her

A **C#m/F#** **F#m**

All across the havens to the waterfall

G

They told me I would meet her there

Bm7

Inside those icy walls

G

But how on earth in this universe

D **E7**

Can they forgive me of my pains

A **Bm7**

For all across the havens

D **D/B Bm7** **E7**

I must stumble locked in chains

Interlude: A D7 A D7

Verse

A

Then the mother of mercy
D7
Showed me her stable
A
And told me you would be safe
D7
Safe in her cradle
C#m
And the waterfall opened
F#m
And the water withdrew
Bm7
Leaving me standing
E7
On a road leading through

All across the havens... etc.
