Of days gone by when we would lean  
Fm7 Fm7/Eb Dsus4 D7  
Laughing fit to burst upon each other

I can see you sitting eating apples in the evening  
The fruit juice flowing slowly, slowly, slowly  
Down the bronze of your body  
Living like a lusty flower, running through the grass for hours  
Rolling through the hay like a puppy child

And when it rains the rain falls down...

Oh if only I could nestle in the cradle of your cabin  
My arms around your shoulders the windows wide and open  
While the swallow and the sycamore are playing in the valley  
Oh I miss you Amoreena like a king bee misses honey

And when it rains the rain falls down...

And when it rains the rain falls down...
