Laughing fit to burst upon each other

I can see you sitting eating apples in the evening
The fruit juice flowing slowly, slowly, slowly
Down the bronze of your body

Living like a lusty flower, running through the grass for hours Rolling through the hay like a puppy child

And when it rains the rain falls down...

Oh if only I could nestle in the cradle of your cabin My arms around your shoulders the windows wide and open While the swallow and the sycamore are playing in the valley Oh I miss you Amoreena like a king bee misses honey

And when it rains the rain falls down...

And when it rains the rain falls down...
