Living like a lusty flower, running through the grass for hours

Rolling through the hay like a puppy child

And when it rains the rain falls down
C# G#
Washing out the cattle town
Eb Bb/C# C# G#
And she s far away somewhere in her eiderdown

And she dreams of crystal streams
Bbm C#7/G F#
Of days gone by when we would lean
F#m7 F#m7/Eb Ebsus4 Eb7
Laughing fit to burst upon each other

I can see you sitting eating apples in the evening
The fruit juice flowing slowly, slowly, slowly
Down the bronze of your body
Living like a lusty flower, running through the grass for hours
Rolling through the hay like a puppy child

And when it rains the rain falls down...

Oh if only I could nestle in the cradle of your cabin
My arms around your shoulders the windows wide and open
While the swallow and the sycamore are playing in the valley
Oh I miss you Amoreena like a king bee misses honey

And when it rains the rain falls down...

And when it rains the rain falls down...
