I can see you sitting eating apples in the evening
The fruit juice flowing slowly, slowly, slowly
Down the bronze of your body
Living like a lusty flower, running through the grass for hours
Rolling through the hay like a puppy child

And when it rains the rain falls down...

Oh if only I could nestle in the cradle of your cabin
My arms around your shoulders the windows wide and open
While the swallow and the sycamore are playing in the valley
Oh I miss you Amoreena like a king bee misses honey

And when it rains the rain falls down...

And when it rains the rain falls down...
