F#                      E6                      B/E                      F#  
Lately I ve been thinking how much I miss my lady  
Bbm7                      Ebm F#7/D B                      F#  
Amoreena s in the cornfield brightening the daybreak  
F#                      E6                      B/E                      F#  
Living like a lusty flower, running through the grass for hours  
Bbm7                      Ebm F#7/D B                      F#  
Rolling through the hay like a puppy child

C#                      G#/C#  
And when it rains the rain falls down  
B                      F#  
Washing out the cattle town  
C#                      G#/C#                      B                      F#  
And she s far away somewhere in her eiderdown  
G°                      Ebsus4                      Eb7  
And she dreams of crystal streams  
G#m                      B7/G                      E  
Of days gone by when we would lean  
Em7                      Em7/Eb                      C#sus4 C#7  
Laughing fit to burst upon each other

I can see you sitting eating apples in the evening  
The fruit juice flowing slowly, slowly, slowly  
Down the bronze of your body  
Living like a lusty flower, running through the grass for hours  
Rolling through the hay like a puppy child

And when it rains the rain falls down...

Oh if only I could nestle in the cradle of your cabin  
My arms around your shoulders the windows wide and open  
While the swallow and the sycamore are playing in the valley  
Oh I miss you Amoreena like a king bee misses honey

And when it rains the rain falls down...

And when it rains the rain falls down...
