[Verse 1]

G **C**
Goodbye England's rose, may you ever grow in our hearts
C **G** **C**
You were the grace that placed itself where lives were torn apart
G **C**
You called out to our country, and you whispered to those in pain.
G **C**
Now you belong to heaven, and the stars spell out your name.

[Chorus]

D **D7**
And it seems to me you lived your life
G **C**
Like a candle in the wind
G **D**
Never fading with the sunset when the rain set in
C **Em**
And your footsteps will always fall here along England's greenest hills
G **D** **C**
Your candles burned out long before your legend ever will.

[Verse 2]

G **C**
Loveliness we've lost, these empty days without your smile
G **C**
This torch we'll always carry for our nation's golden child
G **C**
And even though we try, the truth brings us to tears
G **C**
All our words cannot express the joy you brought us through the years.
