

Candle in The Wind
Elton John

F **Bb**
Goodbye Norma Jean, Though I never knew you at all
F/G# **Bb**
You had the grace to hold yourself, While those around you crawled
F **Bb**
They crawled out of the woodwork, And they whispered into your brain
F/G# **Bb**
They set you on the treadmill, And they made you change your name

Chorus:

C **C7** **F** **Bb**
And it seems to me you lived your life, Like a candle in the wind
F **C**
Never knowing who to cling to, When the rain set in
Bb **Dm**
And I would have liked to have known you, But I was just a kid
C **Bb**
Your candle burned out long before, your legend ever will

A|- E/G# - F#m - E

F **Bb**
Loneliness was tough, The toughest role you ever played,
F **Bb**
Hollywood created a superstar, And pain was the price you paid
F **Bb**
Even when you died, Oh the press still hounded you
F **Bb**
All the papers had to say, Was that Marilyn was found in the nude

(Chorus)

F **Bb**
Goodbye Norma Jean, From the young man in the 22nd row
F **Bb**
Who sees you as something as more than sexual, More than just our Marilyn Monroe

(Chorus)

C **Bb**
Your candle burned out long before, Your legend ever did
