

Candle in The Wind
Elton John

D **G**
Goodbye Norma Jean, Though I never knew you at all
D/G# **G**
You had the grace to hold yourself, While those around you crawled
D **G**
They crawled out of the woodwork, And they whispered into your brain
D/G# **G**
They set you on the treadmill, And they made you change your name

Chorus:

A **A7** **D** **G**
And it seems to me you lived your life, Like a candle in the wind
D **A**
Never knowing who to cling to, When the rain set in
G **Bm**
And I would have liked to have known you, But I was just a kid
A **G**
Your candle burned out long before, your legend ever will

A|- E/G# - F#m - E

D **G**
Loneliness was tough, The toughest role you ever played,
D **G**
Hollywood created a superstar, And pain was the price you paid
D **G**
Even when you died, Oh the press still hounded you
D **G**
All the papers had to say, Was that Marilyn was found in the nude

(Chorus)

D **G**
Goodbye Norma Jean, From the young man in the 22nd row
D **G**
Who sees you as something as more than sexual, More than just our Marilyn Monroe

(Chorus)

A **G**
Your candle burned out long before, Your legend ever did
