

Candle in The Wind
Elton John

Eb **G#**
Goodbye Norma Jean, Though I never knew you at all
Eb/G# **G#**
You had the grace to hold yourself, While those around you crawled
Eb **G#**
They crawled out of the woodwork, And they whispered into your brain
Eb/G# **G#**
They set you on the treadmill, And they made you change your name

Chorus:

Bb **Bb7** **Eb** **G#**
And it seems to me you lived your life, Like a candle in the wind
Eb **Bb**
Never knowing who to cling to, When the rain set in
G# **Cm**
And I would have liked to have known you, But I was just a kid
Bb **G#**
Your candle burned out long before, your legend ever will

A|- E/G# - F#m - E

Eb **G#**
Loneliness was tough, The toughest role you ever played,
Eb **G#**
Hollywood created a superstar, And pain was the price you paid
Eb **G#**
Even when you died, Oh the press still hounded you
Eb **G#**
All the papers had to say, Was that Marilyn was found in the nude

(Chorus)

Eb **G#**
Goodbye Norma Jean, From the young man in the 22nd row
Eb **G#**
Who sees you as something as more than sexual, More than just our Marilyn Monroe

(Chorus)

Bb **G#**
Your candle burned out long before, Your legend ever did
