Candle in The Wind Elton John

F# Goodbye Norma Jean, Though I never knew you at all F#/G# You had the grace to hold yourself, While those around you crawled F# They crawled out of the woodwork, And they whispered into your brain F#/G# They set you on the treadmill, And they made you change your name Chorus: C#7 C# F# В And it seems to me you lived your life, Like a candle in the wind C# Never knowing who to cling to, When the rain set in And I would have liked to have known you, But I was just a kid C# Your candle burned out long before, your legend ever will A - E/G# - F#m - EF# Loneliness was tough, The toughest role you ever played, F# Hollywood created a superstar, And pain was the price you paid Even when you died, Oh the press still hounded you F# All the papers had to say, Was that Marilyn was found in the nude (Chorus) F# Goodbye Norma Jean, From the young man in the 22nd row В Who sees you as something as more than sexual, More than just our Marilyn Monroe (Chorus) C#

Your candle burned out long before, Your legend ever did
