

Can't Stay Alone Tonight
Elton John

verse 1

E **B**
I blew the dust out of the corners
A **C#m**
Threw some dead wood on the fire
E **B**
Tuned the radio to silence
A **E**
Watched the evening sun expire
C#m **G#m**
Should have called you up this morning
A **F#m**
But I m such a fool at times
E **B**
I still search my shaving mirror
D **A** **E**
Looking for your face with mine

Chorus

A **B**
And I can t stay alone tonight
A **E**
Can t let another day go by
C#m
Why is it always this way?
F#m **B**
Time never seems to really fly
A **B**
And time is never really on my side
A **G#m** **C#m**
And I can t stay alone tonight
F#m **B**
Things have to change and they might
A **B** **E**
But I can t stay alone tonight

verse 2

E **B**
Chalk up one more crazy notion
A **C#m**
Imagination running wild
E **B**

But if I needed confirmation

A E
I would have gone that extra mile
C#m G#m
You're the last chance on the highway
A F#m
I'm that open stretch of road
E B
You're the diner in my rear-view
D A E
A cup of coffee getting cold

Chorus

A B
And I can't stay alone tonight
A E
Can't let another day go by
C#m
Why is it always this way?
F#m B
Time never seems to really fly
A B
And time is never really on my side
A G#m C#m
And I can't stay alone tonight
F#m B
Things have to change and they might
A B E
But I can't stay alone tonight

Bridge

C Em
Bruised in this cold war of words
D G
We've come undone two loose ends alone
C Em
Possessed by that curse you've endured
Am Bsus4 B
The spell that I cast couldn't make you come home

Chorus

A B
And I can't stay alone tonight
A E
Can't let another day go by

C#m

Why is it always this way?

F#m B

Time never seems to really fly

A B

And time is never really on my side

A G#m C#m

And I can't stay alone tonight

Things have to change and they might

But I can't stay alone tonight
