

Circle of Life
Elton John

[Intro] B G#m C#m7 F#

B C#m7
From the day we arrive on the planet
F# B
And blinking, step into the sun
G#m7 C#m7
There s more to be seen than can ever be seen
A F#
More to do than can ever be done
B C#m7
Some say eat or be eaten
F# B
Some say live and let live
G#m7 C#m7
But all are agreed as they join the stampede
A F#
You should never take more than you give
B B4 B
In the circle of life
A A4 A
It s the wheel of fortune
E E4 E
It s the leap of faith
C#m7 F#
It s the band of hope
B
Till we find our place
G#m C#m7 D
On the path unwinding
B F# E B
In the circle, the circle of life
B C#m7
Some of us fall by the wayside
F# B
And some of soar to the stars
B C#m7
And some of us sail through our troubles
A F#
And some have to live with the scars
B C#m7
There s far too much to take in here
F# B
More to find than can ever be found
B C#m7
But the sun rolling high through the sapphire sky
A F#

Keeps great and small on the endless round
 B B4 B
 In the circle of life
 A A4 A
 It s the wheel of fortune
 E E4 E
 It s the leap of faith
 C#m7 F#
 It s the band of hope
 B
 Till we find our place
 G#7 C#m7 G
 On the path unwinding
 B F# B
 In the circle, the circle of life
 A A4 A
 It s the wheel of fortune
 E E4 E
 It s the leap of faith
 C#m7 F#
 It s the band of hope
 B
 Till we find our place
 G#m C#m7 D
 On the path unwinding
 B F# E B
 In the circle, the circle of life
 G#m C#m7 D
 On the path unwinding
 B F# E Gmaj7 B
 In the circle, the circle of life
