

Circle of Life  
Elton John

[Intro] G# Fm Bbm7 Eb

G# Bbm7  
From the day we arrive on the planet  
Eb G#  
And blinking, step into the sun  
Fm7 Bbm7  
There s more to be seen than can ever be seen  
F# Eb  
More to do than can ever be done  
G# Bbm7  
Some say eat or be eaten  
Eb G#  
Some say live and let live  
Fm7 Bbm7  
But all are agreed as they join the stampede  
F# Eb  
You should never take more than you give  
G# G#4 G#  
In the circle of life  
F# F#4 F#  
It s the wheel of fortune  
C# C#4 C#  
It s the leap of faith  
Bbm7 Eb  
It s the band of hope  
G#  
Till we find our place  
Fm Bbm7 B  
On the path unwinding  
G# Eb C# G#  
In the circle, the circle of life  
G# Bbm7  
Some of us fall by the wayside  
Eb G#  
And some of soar to the stars  
G# Bbm7  
And some of us sail through our troubles  
F# Eb  
And some have to live with the scars  
G# Bbm7  
There s far too much to take in here  
Eb G#  
More to find than can ever be found  
G# Bbm7  
But the sun rolling high through the sapphire sky  
F# Eb

Keeps great and small on the endless round
