Easier To Walk Away
Elton John
V1:
Вb
                           F/A
Every time you turn around
You wear another face
                        Eb9
Every time I look away
Bb
                        Eb9
I find a hiding place
V2:
Вb
                                  F/A
If you knew me like you knew him
You would know just how I feel
Eb
                                    Eb9
Slipping through someone s fingers
                  Eb/Bb
Falling under someone s wheels
Refrão -----
Вb
                    F
                         Bb F
It s easier to walk away
                Gm
Better off to face the facts
When love holds you up for ransom
                Eb/Bb
                         Вb
Walk away and don t look back
{1st time: go to Verse 3. 2nd/3rd time: continue from here}
Eb9
           Вb
                   F
