

Electricity
Elton John

A **A/G**
I can't really explain it, I haven't got the words
F#m7 **E7sus4 E7**
It's a feeling that you can't control
Bm7 **Fm7**
I suppose it's like forgetting, losing who you are
F **E**
And at the same time something makes you whole

Am **G** **F** **C**
It's like that there's a music, playing in your ear
Am **G** **F** **E7sus4 E7**
And I'm listening, and I'm listening, and then I disappear

C **Am**
And then I feel a change, like a fire deep inside
Dm7 **C/E** **D/F#** **G**
Something bursting me wide open, impossible to hide
C **C/Bb**
And suddenly I'm flying, flying like a bird
F **Fm**
Like Electricity, electricity
C **Gsus4 G** **C**
Sparks inside me, and I'm free, I'm free

A **A/G**
It's a bit like being angry; it's a bit like being scared
F#m7 **E7sus4 E7**
Confused and all mixed up and mad as hell
Bm7
It's like when you've been crying
Fm7
And you're empty and you're full
F **E**
I don't know what it is, it's hard to tell

Am **G** **F** **C**
It's like that there's some music, playing in your ear
Am **G** **F** **E7sus4 E7**
But the music is impossible, impossible to hear

C
But then I feel it moves me
Am
Like a burning deep inside
Dm7 **C/E**
Something bursting me wide open

D/F# **G**
Impossible to hide

C
And suddenly I m flying

C/Bb
Flying like a bird

F **Fm**
Like Electricity, electricity

C
Sparks inside me

G **Am**
And I m free, I m free

Fm **C**
Electricity sparks inside of me

Gsus4 **G** **C**
And I m free, I m free

F **E** **A**
Oh, I m free
