

## Friends

Elton John

**Gm7**                      **Gm7/C**                      **F**  
I hope the day will be a lighter highway  
**Eb**                      **Bb/D**                      **F**  
For friends are found on every road  
**Gm7**                      **Gm7/F**                      **F**  
Can you ever think of any better way  
**Eb**                      **Bb/D**                      **C**  
For the lost and weary travellers to go

**Eb**                      **Bb/F**                      **Bb**  
Making friends for the world to see  
**F**                      **Eb**                      **Ab**                      **Bb**  
Let the people know you got what you need  
**F**                      **Bb**                      **Bb9**                      **Bb**  
With a friend at hand you will see the light  
**Gm7**                      **Ab**                      **Eb**                      **Bb**  
If your friends are there then everything s all right

**Gm7**                      **Gm7/C**                      **F**  
It seems to me a crime that we should age  
**Eb**                      **Bb/D**                      **F**  
These fragile times should never slip us by  
**Gm7**                      **Gm7/C**                      **F**  
A time you never can or shall erase  
**Eb**                      **Bb/D**                      **C**  
As friends together watch their childhood fly  
(CHORUS 2x)  
**Gm7**    **Ab**    **Eb**    **Bb**
