

Goodbye yellow brick road

Elton John

(intro) F# C#/E Ebm Ebm/C B C#4/7 C#7 F#

G#m G#m/Bb C# F# F#/A B

When are you gonna come down, when are you going to land,

E C# F#

I should have stayed on the farm, should have listened to my old man.

G#m G#m/Bb C# F# F#/A B

You know you can't hold me forever, I didn't sign up with you,

E C#

I'm not a present for your friends to open,

F# Bm E A D Bm C#

this boy's too young to be singing the blues, a.....h, a.....h.

F# Bb7 B F#

So goodbye yellow brick road where the dogs of society howl,

Eb7 G#m C# F# C#/E

you can't plant me in your penthouse, I'm going back to my plough.

Ebm Bb7 B D

Back to the howling old owl in the woods, hunting the horny black toad.

E F# C#/E Ebm Ebm/C

Oh I've finally decided my future lies

B C# Bm E A D Bm C# F#

beyond the yellow brick road, a.....h, a.....h.

G#m G#m/Bb C# F# F#/A B

What do you think you'll do then? I bet that'll shoot down your plane,

E C# F#

it'll take you a couple of vodka and tonics to set you on your feet again.

G#m G#m/Bb C# F# F#/A B

Maybe you'll get a replacement, there's plenty like me to be found,

E C#

mongrels who ain't got a penny,

F# Bm E A D Bm C#

sniffing for tidbits like you on the ground, a.....h, a.....h.

(refrain)
