Peering out of tiny eyes

The grubby hands that gripped the rail

F

Wiped the window clean of frost

C/E

G

As the morning air laid on the latch

A whistle awakened someone there
Next door to the nursery just down the hall
A strange new sound you never heard before
A strange new sound that makes boys explore

Tread neat so small those little feet
Amid the morning his small heart beats
So much excitement yesterday
That must be rewarded must be displayed

Am D D/C

Large hands lift him through the air

Em7 Esus4 E

Excited eyes contain him there

C

G

The eyes of those he loves and knows

F6 Dsus4 D7

But what s this extra bed just here

His puzzled head tipped to one side
Amazement swims in those bright green eyes
Glancing down upon this thing
That make strange sounds, strange sounds that sing

In those silent happy seconds
That surround the sound of this event
A parent smile is made in moments
They have made for you a friend

Am Dsus4 D

And all you ever learned from them

Em7 Esus4 E

Until you grew much older
