The shingle beach did ring

Em
Through nights of mad youth
D C D
I have loved every sluice in your harbour
Em D
And in your wild sands from boyhood to man
C B7
Strangers have found themselves fathers

Take me back you rustic town
I miss your magic charm
Just to smell your candy floss
Or drink in the Skinners Arms
No Cordon Bleu can match the beauty
Of your pies and peas
I want to ride your fairground

Take air along the quay
