

I Need You To Turn To
Elton John

You re not a ship to carry my life

Am Em D Em
You are nailed to my love in many lonely nights

Em D G A
I ve strayed from the cottages and found myself here

Am Em D Em
For I need your love your love protects my fears

G
And I wonder sometimes and I know I m unkind

B7 Em D D/F#
But I need you to turn to when I act so blind

G
And I need you to turn to when I lose control

B7 Em D
You re my guardian angel who keeps out the cold

Did you paint your smile on, well I said I knew
That my reason for living was for loving you
We re related in feeling but you re high above
You re pure and you re gentle with the grace of a dove
