

I've Seen The Saucers
Elton John

(Ab Db Ab Db)
(Ab G Ab Db)
(Dm(b5))

Ebm **Ab**
Tune in, wouldn't it be something
Db **C Db** **Dm(b5)**
Rumours spreading into panic
Ebm **Ab**
I've seen movements in the clearing
Gb **Db** **Dm(b5)**
Someone sent you something satanic

Ebm **Ab**
I have to leave you, radar's calling
Db **C Db** **C Db**
Outside somebody landed
Ebm **Ab**
Crazy wavelengths leave you helpless
Gb **Db**
Oh don't forget me I'm so stranded

[CHORUS]
B **Ebm**
I wouldn't fool you but I've seen the saucers
Abm **Gb**
So many times I'm almost in tune
Ab sus4 **Ab** **Abm Bb** **Ebm** **Gb/Db**
Watching them flying in formation
B **Gb/Bb Ab** **Gb** **F**
Thinking how I could be so immune

[SAME AS CHORUS]
I've seen them I've been there with them
I can tell you all you want to know
Something touched me and I was only sleeping
Wouldn't you, wouldn't you like to go

Stars climbing into their planets
Systems won, controlled from birth
Empty living on this highway
Can you see me mother earth

It's so endless whirling onwards
Wonder what's cooking at home tonight
Maybe if I promise not to say a word
They can get me back before the morning light
