I can't control this flesh and blood - that's wrapped around my bones.

Bm Em Asus A  
It moves beneath me like a river into the great unknown.

A/Db Em/Db A/Db Em/Db  
I stepped onto the moving stairs - before I could tie my shoes.

Bm Em A7sus  
Pried a harp out the fingers of a renegade who lived and died the blues.

A Bm G A7sus  
And his promise made was never clear, it just carved itself in me.

A Asus / A Bm G A7sus  
All I saw was frost inside my head on the night he said to me.

A D A/C Bm A/C  
Someday we'll live like horses. Free rein from your old iron fences.

G D/Ab  
There's more ways than one to regain your senses.  
G/Bb A7/C F#m/C D {see below}  
Break out the stalls and we'll live like horses.

horses.

A/Db Em/Db A/Db Em/Db  
We're the victims of the heartbreak - that kept us short of breath.

Bm Em Asus A  
Trapped above these bloodless streets without a safety net.

A/Db Em/Db A/Db Em/Db  
I stood in line to join the trial - one more customer of fate.

Bm Em A7sus  
Claimed a spoke in the wheel of the wagon train on the road to the Golden Gate.

A Bm G A7sus  
On the flat cracked desert I jumped ship. It just made sense to me.

A Asus / A Bm G A7sus  
I've spent too long in the belly of the beast and now I shall be free.

{Repeat Chorus}
