I can't control this flesh and blood - that's wrapped around my bones.

It moves beneath me like a river into the great unknown.

I stepped onto the moving stairs - before I could tie my shoes.

Pried a harp out the fingers of a renegade who lived and died the blues.

And his promise made was never clear, it just carved itself in me.

F# F#sus / F# G#m E F#7sus
All I saw was frost inside my head on the night he said to me.

F# B F#/C G#m F#/C
Someday we'll live like horses. Free rein from your old iron fences.

There's more ways than one to regain your senses.
E/Bb F#7/C Ebm/C B {see below}

horses.

We're the victims of the heartbreak - that kept us short of breath.

Trapped above these bloodless streets without a safety net.

F#/Db C#m/Db F#/Db C#m/Db
I stood in line to join the trial - one more customer of fate.

G#m C#m F#7sus

Claimed a spoke in the wheel of the wagon train on the road to the Golden Gate.

F# G#m E F#7sus
On the flat cracked desert I jumped ship. It just made sense to me.

F# F#sus / F# G#m E F#7sus
I've spent too long in the belly of the beast and now I shall be free.

{Repeat Chorus}
