

**Live Like Horses**  
**Elton John**

**Intro : G/Db / / / F/Db / / / G/Db / / / F/Db / / /**

**G/Db Dm/Db G/Db Dm/Db**  
I can't control this flesh and blood - that's wrapped around my bones.

**Am Dm Gsus G**  
It moves beneath me like a river into the great unknown.

**G/Db Dm/Db G/Db Dm/Db**  
I stepped onto the moving stairs - before I could tie my shoes.

**Am Dm G7sus**  
Pried a harp out the fingers of a renegade who lived and died the blues.

**G Am F G7sus**  
And his promise made was never clear, it just carved itself in me.

**G Gsus / G Am F G7sus**  
All I saw was frost inside my head on the night he said to me.

**G C G/C Am G/C**  
Someday we'll live like horses. Free rein from your old iron fences.

**F C/Ab**  
There's more ways than one to regain your senses.

**F/Bb G7/C Em/C C {see below}**  
Break out the stalls and we'll live like horses.

1: **C /// //// G/C /// Am /// Dm/Gb / G /**  
horses.

2: **C G/C Am**  
horses - some day. Free rein {play rest of chorus}

3: **C /// Am/Db / F/Db / C**  
horses.

**G/Db Dm/Db G/Db Dm/Db**  
We're the victims of the heartbreak - that kept us short of breath.

**Am Dm Gsus G**  
Trapped above these bloodless streets without a safety net.

**G/Db Dm/Db G/Db Dm/Db**  
I stood in line to join the trial - one more customer of fate.

**Am Dm G7sus**  
Claimed a spoke in the wheel of the wagon train on the road to the Golden Gate.

**G Am F G7sus**  
On the flat cracked desert I jumped ship. It just made sense to me.

**G Gsus / G Am F G7sus**  
I've spent too long in the belly of the beast and now I shall be free.

{Repeat Chorus}
