

Living Like Horses

Elton John

C **G**
I can t control this flesh and blood
F **Em**
That s wrapped around my bones
Em **Dm**
It moves beneath me like a river
F **G**
Into the great unknown

(REPEAT THIS CHORDS)

I stepped onto the moving stairs
Before I could tie my shoes
Pried a harp out the fingers of a renegade
Who lived and died the blues
G **Am**
And his promise made was never clear
Em **F**
It just carved itself in me
G **Dm**
All I saw was frost inside my head
F **G**
On the night he said to me
C **G**
Someday we ll live like horses
Am **Em**
Free rein from your old iron fences
F **G**
There s more ways than one to regain your senses
Am **F** **G** **C**
