

Love Her Like me  
Elton John

Intro: **F# B/E E/E B/E** (repeat once)

**F#**

You can take her

**B/E**

Make her change her name

**E/E**

You and your old money

**B/E**

Dance around the flame

**A**

But you can never,

**B**

**F#**

**B/E**

Never love her like me

**F#**

You can charm her

**B/E**

Calm her when she s wild

**E/E**

Show a little comfort

**B/E**

Play with her inner child

**A**

But you can never,

**B**

**F#**

Never love her like me

**Eb**

So I just close my eyes

**C#**

**B**

Steal her away when you sleep

**C#m**

Sneak her in my dreams every

**A**

**F#**

Single day of the week

**Eb**

You may have her in real world

**C#**

**B**

But if you could only see

**C#m**

**B/C#**

**E**

**B**

How we rock this room in the twilight zone

**A**

And you can never,

**B**

**F#**

Never love her like me

You can warm her  
Charm her with your style  
I know you convinced her  
She s the love of your life  
And no, you ll never, never love her like me

You can bless her  
Keep her conscience clean  
You can undress her  
Go all the places I ve been  
But you ll never, never love her like me
