verse 1

EB F9 Bb F  
I hung out with the old folks, in the hope that I d get wise.

Am Dm G C  
I was trying to bridge the gap, between the great divide.

F F9 Bb F  
Hung on every recollection, in the theatre of their eyes

Am Dm G C  
Picking up on this and that, in the few that still survive.

F  
Call em up

Dm  
Dust em off

E Am  
Let em shine

Bb F G C  
The ones who hold onto the ones, they had to leave behind

F Dm  
Those that flew, those that fell,

E Am  
The ones that had to stay,

Bb F  
Beneath a little wooden cross

C EB  
Oceans away

REPEAT INTRO

verse 2 (SAME CHORDS AS verse 1)

They bend like trees in winter, these shuffling old gray lions  
Though snow white start to gather, like the belt around Orion.  
Just a touch of faded lightning, of the powerful design,  
Of the generation gathered, for maybe the last time.

REPEAT *Chorus*

BRIDGE

Oceans away where the green grass sways and the cool wind blows across the
