

Please  
Elton John

Intro: E Esus4 E A Asus4 A C G D (repeat twice)

E A E B E  
We ve been crippled in loove, short changed, hung out to dry  
E A E Bsus4 B  
We ve chalked on the walls a slogan or two about li...fe  
A Asus2 A E Esus4 E  
Stood dazed in the doorway, the king and queen of clowns  
A C#m Bsus4 B  
We ve been flipped like a coin, both of us landing face-do.....own

E B A E  
So please, please, let me grow old with you  
G#m C#m Bsus4 B  
After everything we ve been through, what s left to prove  
A C E A E B  
so please, please, please, oh please let me grow old with you

repeat intro here

E A E B E  
We ve been living with sorrow, been up, down and all around  
E A E Bsus4 B  
We ve buried our feelings a little too deep in the ground  
A Asus2 A E Esus4 E  
Stood dazed in the doorway, the king and queen of clowns  
A C#m Bsus4 B  
We ve been flipped like a coin, both of us landing face-do.....own  
E B A E  
So please, please, let me grow old with you  
G#m C#m Bsus4 B  
After everything we ve been through, what s left to prove  
A C E A E B E Esus4 E (2x)  
So please, please, please, oh please let me grow old with you

C#m G#m  
But tied to the same track, the two of us look back  
A E  
At oncoming trains ahead  
G#m C#m  
How many more times can we lay on the line  
A B  
Watching our love hang by a thread

E B A E

So please, please, let me grow old with you

G#m

C#m

Bsus4 B

After everything we've been through, what's left to prove

A

C

E

A

E

B

So please, please, please, oh please let me grow old with you

A
