Fly away
Skyline pigeon fly
Towards the dreams you ve left so
Very far behind
        Eb
Let me wake up in the morning
       Bb/D
To the smell of new mown hay
              Ab
To laugh and cry
             Bb
To live and die
         Eb
In the brightness of my day
I want to hear the peeling bells
Of distant churches sing
            Eb/Bb
But most of all please free
Me from this aching metal ring
                                       Eb
And open out this cage towards the sun
[Pré-Refrão]
              Ab
For just a skyline pigeon
Вb
Dreaming of the open
Wainting for the day
         Ab
He can spread his wings

And fly away again
