

Skyline pigeon
Elton John

C#
Turn me loose
G#/D
From your hands
F# G#
Let me fly
C#
To distant lands
Eb
Over green fields
F#
Trees and mountains
C#/Bb G# C#
Flowers and forest fountains
F# G# C#
Home along the lanes of the skyway
C#
For this dark
G#/D
And lonely room
F# G#
Projects a shadow
C#
Cast in gloom
Eb
And my eyes are mirrors
F#
Of the world outside
C#/Bb
Thinking of the way
G# C#
That the wind can turn the tide
F#
And these shadows turn
G# C#
From purple into grey

[Pré-Refrão]

F#
For just a skyline pigeon
G#
Dreaming of the open

Waiting for the day

And fly away again
