Sorry seems to be the hardest word
Elton John

```
       G#m                                        C#m7
1.   What have I got to do to make you love me,
F#                                    B        - C#m - Eb7
     what have I got to do to make you care ?
G#m                                 C#m
     What do I do when lightning strikes me,
F#                                      B     - C#m - Eb7
     and awake to find that you re not there ?
   G#m                             C#m
2.   What do I do to make you want me,
F#                                  B         - C#m - Eb7
     what have I got to do to be heard ?
G#m                                      C#m
     What do I say when it s all over,
       F#                             B    -   F#
     and sorry seems to be the hardest word ?
C#m           Eb7         G#m                    C#
   It s sad,    so sad,   it s a sad, sad situation,
E                  Eb7           G#m       - C#m - Eb7
   and it s getting more and more absurd.
C#m           Eb7         G#m                C#
   It s sad,      so sad,    why can t we talk it over ?
E                    C#m           Eb7              G#m       -
   Oh it seems to me, sorry seems to be the hardest word.

   G#m                                C#m
3.    What do I do to make you love me,
F#                                  B        - C#m - Eb7
     what have I got to do to be heard?
G#m                                      C#m                - E
     What do I do when lightning strikes me ?
     C#m                   Eb7       G#m                      E
   What have I got to do ?  What have I got to do,
       C#m                 Eb7                G#m
   When sorry seems to be the hardest word ?
