F **Eb**
You say today was not so easy

Gm
Pressure tends to get the best of you

F **Eb**
Well don't let them break your spirit

Gm
Keep the faith and you will come on through

Bb9
And I'll head home for the weekend

Cm
You're tired and you know I'll understand

Eb
Just be waiting on the front steps baby when I get there

F F/A F
And take a giant step into my hands

Eb/Bb Bb
And slip into my soul glove

F/A
Pull it on we got a tight fit

G7/B Cm
Never take it off

Eb/Bb Bb
And baby if the seams rough

F/A
And honey if the skin's soft

G7/B Cm
You and me we go together

F Eb/Bb Bb G7/B Cm Eb
Oh like a soul glove

Look at me don't you believe me
Cheating hangs a noose around your neck
To shave in someone else's mirror
Is one desire I haven't dreamed of yet

But I ll head home for the weekend
You re tired and you know I ll understand
Just be waiting on the front steps baby when I get there
And take a giant step into my hands
