

I entertain by picking brains

C            G            D            G

Sell my soul by dropping names

F                            C

I don't like those, my God, what's that

C                            G                            D                            G

Oh it's full of nasty habits when the bitch gets back

Riff 1

Riff 1 x 2

G                            F C                            G                            F C

Bitch, Bitch,    The Bitch is Back
