

**We All Fall In Love Sometimes**  
**Elton John**

INTRO: **Gm Cm D**

VERSE 1:

\*\*\*\*\*

**Gm Cm**

Wise men say, it looks like rain today

**D**

it crackled on the speakers

**Gm Gm7 Eb**

and trickled down the sleepy subway trains.

**Cm D**

For heavy eyes could hardly hold us,

**Gm Gm7 Eb**

aching legs that often told us

**D Gm Cm D**

it s all worth it. We all fall in love sometimes.

\*\*\*\*\*

REPEAT VERSE 1 CHORDS

\*\*\*\*\*

The full moon s bright and starlight filled the evening.

We wrote it and I played it,

something happened it s so strange this feeling

naive notions that were childish,

simple tunes that tried to hide it,

but when it comes. We all fall in love sometimes.

\*\*\*\*\*

VERSE 2:

\*\*\*\*\*

**G**                    **Am**                    **C**

Did we, didn t we, should we, couldn t we

**E**                    **Am**

I m not sure    cause sometimes we re so blind.

**C**    **D**

Struggling through the day

**C G C G**

When even your best friend says

**B**                    **C**    **Am**    **D**    **Gm**

Don t you find,        we all fall in love sometimes.

\*\*\*\*\*

SOLO is like the verse 1 starting in the 2nd chord and

withouth the 3 last chords, then it goes like verse 2:

\*\*\*\*\*

And only passing time

Could kill the boredom we acquired

Running with the losers for a while

But our Empty Sky was filled with laughter

Just before the flood, painting worried faces with a smile

\*\*\*\*\*

REPEAT VERSE 1 without the 3 last chords and go to:

\*\*\*\*\*

G Am Bm C Bm Am D G
