

Western Ford Gateway  
Elton John

**F C/G E7/G# Am F C/G E7/G# Am F C/G G7**

**C G/B Am Am/G**

It s hard to feel what s in your head

**F**

Where the gas lamps grow

**C**

And the garbage blows

**Dm E7**

Around the paper stands

**Am**

And a baby cried

**Am/G**

And I saw a light

**F**

And I wondered where

**D**

And I wondered why

**F**

There d be a loss of life

**C/G G7**

Down here tonight

**C F**

Down on Western Ford Gateway

**Dm G6 G7**

That s a place where the dead say

**C F**

That a man lives no more

**C/G E7/G# Am**

That his fair share of days

**F C E7/G# Am**

Down on Western Ford Gateway (repeat)

repeat intro here

It flowed upon the cobbled floor

For the bottle s dead

And they re drunk again

By the tavern door

outro is same as intro
