YOU GOT TO LOVE SOMEONE

by: Elton John

**Eb**  
You can win the fire  
          **Ab**                          **Eb**          Ab/Eb **Eb**  
You can grab a piece of the sky  
          **Eb**                          **Ab**  
You can break the rules  
                  **Eb**    Ab/Eb **Eb**  
But before you try  
  
          **Bb**  
You gotta love someone  
          **Ab**                  **Eb**  
You gotta love someone

You can stop the world  
Steal the face from the moon  
You can beat the clock  
But before high noon

You gotta love someone  
You gotta love someone

Bridge:  
**Eb**

You ve got one life with a reason

**Eb**

You need two hearts on one side

**Cm**

When you stand alone, and there s no-one left

**F**

**Bb**

**Ab Gm**

To share the way you feel inside

**Fm Bb**

And baby...

You can shoot the devil

And slice a piece of the sun

Burn up the highway

But before you run

You gotta love someone

You gotta love someone

\*\*\*Instrumental verse and chorus\*\*\*

(this is like the bridge)

**Bb**

When you re gonna play with fire

**Ab**

**Eb**

You let someone share the heat

**Cm**

When you re on your own, and there s no-one left

**F**

**Bb**

**Ab**

**Gm**

To cool the flames beneath your feet

**Fm Bb**

And baby...

You can win the fire

You can grab a piece of sky

You can break the rules

But before you try

You gotta love someone (ad infinitum)
