(Blues in G)

G **C G**

Hey everybody I m a talking to you

G **C G**

I ain t telling you jealous

It s just the natural truth

C **G**

Oh oh oh I got the Eisenhower Blues

D **C** **G** **D**

Thinking about me and you and what on earth are we gonna do?

My money s gone, the fun is gone

The way things look I can t be here long

Oh oh oh I got the Eisenhower Blues

Thinking about me and you and what on earth are we gonna do?

Taking all my money to pay the tax

I m telling you people the natural facts

I m telling you people, in my belief

I am headed straight on relief

Oh I got the Eisenhower Blues

Thinking about me and you and what on earth are we gonna do?

I ain t got a dime, ain t got a cent

Ain t got no money to pay my rent

She wants some clothes, she wants some shoes

I m telling you people I don t know what to do

Oh I got the Eisenhower Blues

Talking about me and you and what on earth are we gonna do?

Taking all my money to pay the tax

I m telling you people the natural facts

I m telling you people, in my belief

I am headed straight on relief

Oh I got the Eisenhower Blues

Thinking about me and you and what on earth are we gonna do?

Oh I got the Eisenhower Blues

Talking about me and you and what the hell are we gonna do?
