Hand in Hand.

No, don t ask me to apologise.

I won t ask you to forgive me.

If I m gonna go down,

you re gonna come with me

Don t you know I got the bully boys out
changing someone s facial design,
sitting with my toy room lout,
polishing my precious china

Don t you know I m an animal?
But don t you know I can t stand up steady?
But you can t show me any kind of hell
that I don t know already.

Hand in Hand.

No, don't ask me to apologise.
I won't ask you to forgive me.
If I'm gonna go down,
you're gonna come with me
