

**If I Could Put Them All Together**  
**Elvis Costello**

**G** **C**  
I guess I ran to Rhonda for her sympathy

**D**  
Julie Ann does all she can

**C** **D** **G**  
To take your chains off me

**G**  
Next in line comes Caroline

**C**  
She has your long black hair

**D**  
I can close my eyes and make believe

**C** **D** **G**  
That you are lying there

**G** **C**  
If I could put them all together I d have you

**G** **D**  
But that s more than any mortal man can do

**G** **C**  
So I m drawn to the neon lights and tortured by the truth

**G** **D** **G**  
If I could put them all together I d have you

**G C D C D G**

**G** **C**  
I thought that Mary Ann could keep me satisfied

**D**  
But your memory stares back at me

**C** **D** **G**  
As I look into her eyes

**G** **C**  
It s hard to be contented with all the rest

**D**  
When you ve loved the perfect woman

**C** **D** **G**  
When you ve held the very best

If I could put them all together I d have you  
But that s more than any mortal man can do

So I m drawn to the neon lights and tortured by the truth

**G** **D** **G** **C**  
If I could put them all together I d have you
