Lover s Walk
Words & Music by: Elvis Costello
>From the album: TRUST

define:
n.c. = no chord

Comment:
This song, because of the rhythmic nature and
paucity of chord changes, might not work well
as a piece for singer and solo guitar.

INTRO:
A G A G A G A G

A
I won t walk with my head bowed
(Be on) Beyond caution where lovers walk
My love walks where three s a crowd
A G A G A G
Beyond caution where lovers walk

A
Lovers walk, lovers scramble
Beyond caution where the lovers walk
Lovers step, shuffle and gamble
A G A G A G
Beyond caution where lovers walk

A
Lovers trip, lovers stumble
Lovers dip, lovers fumble

Lovers lip where love has crumbled

A G A G A G

Beyond caution where lovers walk

n.C.

Lovers strut, lovers stroll, lovers leap

Lovers late, lovers wait

Making promises that they can t keep

Lovers link up arm and arm

Lovers slink up, lovers charm

Lovers drink up and come to harm

A G A G A G

Beyond caution where lovers walk

A

Love is gone and it s no one s fault

Love has stopped here, lovers halt

Lovers don t walk, lovers run

Will you look what love has done

Will you look what love has done

Will you look what love has done

A G A G A G

Beyond caution where lovers walk

A

A G A G A G

Now love s limping on a lover s crutch

A

Looking for a hand with a personal touch

A

A G A G A G

Beyond caution where lovers walk
