Words & Music by: Elvis Costello
>From the album: TRUST

n.C. **B7**
Dressed up like a dog s dinner
Butter would n t melt in your mouth
If this is a dog s life
Then you re the cat s clothes
They hire out your sons
And hire out your daughters
The man from abroad says he s already bought her
And now you look like a lover but you re only a tourist

CHORUS:
 Em **Bm**
You re either talking or yawning
 A **B**
You didn t listen to a thing you heard
 Em **B** **A** **B7**
Don t start your morning moaning or you might wake up in Luxembourg

B7
You get over
You re worried by her body
She s worryin about her bodily odour
You pull off
The pull over
You say that you love her when you really loathe her
Serves you right now she wants you to feed her and clothe her

(chorus)

BRIDGE:

F# **Bm**
They re smiling sweetly while they re looking daggers
F# **Bm**
Kick you where it really matters
F# **Bm**
Send all your friends to Coventry
F# **Bm** **E**
And look for your name in last night s obituaries

B7

If you ve got the Deutschmarks
If you ve got the Yen, then
You get the shirt off her back and the clock off Big Ben
Somebody s soft touch
Struck all these bargains
In the drinking clubs with the council men making
plans to put lead back in their pencils again

Chorus
