Words & Music by: Elvis Costello

>From the album: TRUST

n.C. B7

Dressed up like a dog s dinner
Butter wouldn t melt in your mouth

If this is a dog s life

Then you re the cat s clothes

They hire out your sons

And hire out your daughters

The man from abroad says he s already bought her

And now you look like a lover but you re only a tourist

CHORUS:

Em Bm

You re either talking or yawning

You didn t listen to a thing you heard

Em B A B7

Don t start your morning moaning or you might wake up in Luxembourg

в7

You get over

You re worried by her body

She s worryin about her bodily odour

You pull off

The pull over

You say that you love her when you really loathe her

Serves you right now she wants you to feed her and clothe her

(chorus)

BRIDGE:

F# Bm

They re smiling sweetly while they re looking daggers

F# Bm

Kick you where it really matters

F# Bm

Send all your friends to Coventry

F# Bm F

And look for your name in last night s obituaries

в7

If you we got the Deutschmarks
If you we got the Yen, then
You get the shirt off her back and the clock off Big Ben
Somebody s soft touch
Struck all these bargains
In the drinking clubs with the council men making
plans to put lead back in their pencils again

Chorus
