

My Mood Swings
Elvis Costello

INTRO: **F#m** repeatedly

verse 1

F#m

She was smitten from the first

By a curious fellow

C#7

She said I love the way you talk

B

A

And with a a flounce she announces

F#m

I love the way that you pronounce it

N.C

Marshmallow

F#m

So she liked to sing along

To her favourite song

C#7

From the year that she was born

B

A

She had mysterious affairs

F#m

And often woke up in the eighties.

Chorus

B

So speak to me

A

Just like you should

F#m

And then you can say those wicked things

B

And if you want

A

We ll make it good

C#7

Before my mood swings

verse 2

F#m

Well he looked like one of those

Who would take off his clothes

C#7

Like he would peel a tangerine

B

A

Noone s been known to decline this

F#m

Until I ve found out what your sign is

Chorus x3
