

**Pay it back**  
**Elvis Costello**

**G#**

Stop thief; you re gonna come to grief

**C#**

If you don t take a little more care.

**G# Fm7 C# G#**

You re gonna get more than the family plan

**C# G#**

From this one shoestring affair.

**Fm Bb C# G# F#**

I may be crazy but I can t contemplate being trapped between the doctor

**C# Cm**

And the magistrate.

[Refrão:

**G#**

One of these days I m gonna pay it back, pay it back,

**C#**

One of these days.

**G#**

One of these days I m gonna pay it back, pay it back,

**C#**

One of these days. ]

**G#**

And then they told me I could be somebody

**C#**

if I didn t let too much get in my way.

**G# Fm7 C# G#**

And I tried so hard just to be myself,

**C# G#**

but I keep on fading away.

**Fm Bb C# G#**

Until the lights went out, I didn t know what to do.

**F# C# Cm**

If I could fool myself, then maybe I d fool you too.

[Refrão]

**G#**

I wouldn t say that I was raised on romance.

**C#**

Let s not get stuck in the past.

**G# Fm7 C# G#**

I love you more than everything in the world.

**C# G#**

I don t expect that will last.

**Fm C# G#**

They told me everything was guaranteed.

**F#** **C#** **Cm**

Somebody somewhere must ve lied to me.
