        C
             F#7
                                   F#7
As I walk through This wicked world
            Am
                        D
Searching for light in the darkness of insanity
           F#7
                           C
                                F#7
I ask myself
               Is all hope lost?
                    D
           Am
Is there only pain and hatred, and misery?
And each time I feel like losin sight
There s one thing I wanna know,
                                     Am
Whats so funny bout peace, love, and understanding?
Whats so funny bout peace, love, and understanding?
(Intro)
        \mathsf{C}
             F#7
As I walk on
             Through troubled times
         Am
                            G F
                   D
My spirit gets so downhearted sometimes
             С
                  F#7
                              C F#7
                   And who I trusted
So where I ve gone
            Am D
                    G
And where is the harmony, sweet harmony
Cause each time I feel it slippin away
It just makes me wanna cry,
