

Poison Moon

Elvis Costello

G

C F C F
Cut loose in a nightmare, cast off in my dreams

C C/B Am Am/G D G
If home is anywhere that I can hang my hat then it s coming apart at the seams

Am D Am D
My luck is hanging upside down, I try to hold on tight

E A B D7
But money s rolling out of town and love slips right out of sight and these bones

G
They don t look so good to me

D7 G
Jokers talk and they all disagree

F G
One day soon

C F G C
I will laugh right in the face of the poison moon

C F
You look in the mirror

C F
I m sorry, but it can t be replaced

C C/B Am Am/G
You re thrown straight out in that cruel parade

D G
Buttoned down and laced

Am D Am D
It starts like fascination, it ends up like a trance

E A B D7
You ve gotta use your imagination on some of that magazine romance and these bones

G

They don t look so good to me
